

Michael J. Kalsher

Home Office

1551 Best Road
Rensselaer, New York 12144
(518) 283-3204

University Office

Department of Cognitive Science
Rensselaer Polytechnic Institute
Troy, New York 12180-3590
(518) 276-8267

Degrees

B.S. in Psychology, 1979, Montana State University

M.S. in Applied/Experimental Psychology, 1986, Montana State University

Ph.D. in Industrial/Organizational Psychology, 1988, Virginia Tech

Employment History

Rensselaer Polytechnic Institute

Chair, Department of Cognitive Science	May, 1997 – July, 2002
Associate Professor of Psychology, Department of Cognitive Science	May, 1993 - Present
Assistant Professor of Psychology, Department of Cognitive Science	Aug., 1988 - May, 1993

Other Relevant Positions and Appointments

Director, Undergraduate Program in Psychology, Department of Cognitive Science, Rensselaer Polytechnic Institute.	2011 – present
Chair, Faculty Council, School of Humanities and Social Sciences, Rensselaer Polytechnic Institute.	2006 - 2007
Chair, Forensic Professional Group, Human Factors and Ergonomics Society	2006 - 2008
Member, Council of Technical Groups, Human Factors and Ergonomics Society.	2006 - 2007
Principal, Kalsher & Associates, LLC, Rensselaer, New York.	2003 - Present
Chair, Institutional Review Board, Rensselaer Polytechnic Institute	1997 - Present
Adjunct Faculty Member, School of Management, Department of Managerial Policy and Organization	1990 – 1995; 2007-09
Chair, Safety Technical Group, Human Factors and Ergonomics Society	1998 - 1999
Co-Chair/Chair, Arnold M. Small Safety Lecture Series (HFES)	1997 - Present

Program Chair, Safety Technical Group, Human Factors and Ergonomics Society	1996 - 1997
Adjunct Faculty Member, Psychology Department, State University of New York at Albany.	1989 - Present:
Consultant, Capitol Hill Testing Service, Albany, New York.	1994 - 2000
President, Make-A-Difference, Inc., Consulting firm. Newport, VA.	1986 - 1990
Research Assistant, Clinical Specialist, Division of Behavioral Psychology, The John F. Kennedy Institute of the Johns Hopkins University School of Medicine.	1980 - 1984

Conference presentations: (* denotes presenter).

*Kalsher, M. J. (May, 2010). From forensics to practice: Applying lessons learned from products liability cases to enhance safety. Invited speaker at the 10th ERGODESIGN / USIHC Meeting, PUC-Rio, Rio de Janeiro.

*Kalsher, M. J. (May, 2010). Applying human factors design principles to improve chemical warning labeling: A systematic evaluation of GHS symbols. Invited speaker at the 10th ERGODESIGN / USIHC Meeting, PUC-Rio, Rio de Janeiro.

*Kalsher, M. J. (2008). From forensics to research: Cases of greenhouse roof and industrial equipment hazards. Invited symposium presentation at the 2nd International Conference on Applied Human Factors and Ergonomics, Las Vegas, NV.

- *Kalsher, M. J., Kaplan, C., & Fisher, J. (2008). Evaluation of the hazards due to the misunderstanding of patient medication information sheets. *Presented at the 52nd Annual Meeting of the Human Factors and Ergonomics Society.*
- Vredenburg, A. G., & Zackowitz, I. B., & *Kalsher, M.J. (2008). Drug labeling and its impact on patient safety. *Presented at the 52nd Annual Meeting of the Human Factors and Ergonomics Society.*
- *Kalsher, M. J., & Wogalter, M. S. (2006). Influence of presentation modality on communication of pharmaceutical risk information in Direct-to-Consumer (DTC) television commercials. *Presented at the IEA2006: 16th World Congress on Ergonomics, Maastricht, Netherlands.*
- *Vredenburg, A. G., Kalsher, M. J., Vredenburg, M. J. (2006). Evaluating hazard communication of patient medication information sheets for prescription drugs. *Presented at the IEA2006: 16th World Congress on Ergonomics, Maastricht, Netherlands.*
- Vredenburg, A. G., *Vredenburg, M. J., Kalsher, M. J. (2006). Adolescent risk perception and self-protective behavior regarding airsoft and paintball Guns. *Presented at the IEA2006: 16th World Congress on Ergonomics, Maastricht, Netherlands.*
- *Kalsher, M. J. (2005). Evaluating the influence of presentation modality on the communication of pharmaceutical risk information in direct-to-consumer television ads. *Invited presentation at the Pharmaceutical Education Associates' Risk Communication Conference, Washington, D.C.*
- *Kalsher, M. J. (2005). Using stories from applied psychology to teach basic psychology. *Invited presentation at the Annual National Institute on the Teaching of Psychology Conference, St. Petersburg, Beach, FL.*
- *Kalsher, M. J., Wogalter, M. S., Lim, R. & Laughery, K. R. (2005). Consumer knowledge of tire maintenance and aging hazard. *Presentation at the 49th Annual Meeting of the Human Factors and Ergonomics Society, Orlando, FL.*
- *Kalsher, M. J., Wogalter, M. S., & Laughery, K. R. (2004). Assessing People's Knowledge and Awareness of Dietary Supplements. *Presentation at the 48th Annual Meeting of the Human Factors and Ergonomics Society, New Orleans, LA.*
- *Hmieleski, K., Traver, H., & Kalsher, M. J. (2003). Teaching and Learning Styles in Training and Development. *Paper presented at the 18th annual Society for Industrial and Organizational Psychology (SIOP) Conference, Orlando, FL.*
- *Kalsher, M.J., Williams, K.J., & Viale, A. J. (2003). Separating the effects of quality of warning and information distribution practices: A case of cascading responsibility. *Symposium presentation at the Human Factors and Ergonomics Society's 47th Annual Meeting, Denver, CO.*
- *Kalsher, M. J., Williams, K. J., Viale, A., & Yockey, N. (2003). Customizing warnings for industrial safety applications: Some case studies. *Invited paper delivered at the 15th Triennial Meeting of the International Ergonomics Association (IEA), Seoul, Korea (August 24-29).*
- *Kalsher, M. J., & Wogalter, M. S. (2003). A survey of current over-the-counter pharmaceutical product labeling practices: What do ordinary people know and want to know. *Invited paper delivered at the 15th Triennial Meeting of the International Ergonomics Association (IEA), Seoul, Korea (August 24-29).*
- *Vredenburg, A., Longden, S., Williams, K., & Kalsher, M. (2003). Medical product labeling: The evaluation of latex glove warnings in a realistic setting. *Poster presentation at the Human Factors and Ergonomics Society's 47th Annual Meeting, Denver, CO.*

- *Kalsher, M. J. & Wogalter, M. S. (2002). Over-the-counter analgesics: A survey of the public's knowledge, attitudes, and beliefs. *Poster presentation at the Human Factors and Ergonomics Society's 46th Annual Meeting, Baltimore, MD.*
- *Laughery, K. R., Paige, D. L., Laughery, B. R., Wogalter, M. S., Kalsher, M. J., & Leonard, S. D. (2002). Guidelines for warnings design: Do they matter? *Symposium presentation at the Human Factors and Ergonomics Society's 46th Annual Meeting, Baltimore, MD.*
- *Kalsher, M. J., Williams, K. J., & Murphy, S. (October, 2001). Allocating blame for airbag deployment injuries: Separating manufacturer's blame from personal responsibility. *Symposium presentation at the 45th Annual Meeting of the Human Factors and Ergonomics Society, Minneapolis, MN.*
- Kalsher, M. J., *Brantley, K. A., Wogalter, M. S., & Snow-Wolff, J. (August, 2000). Evaluating choking child pictorial symbols. *Symposium presentation at the IEA 2000/HFES 2000 Congress, San Diego, CA.*
- Kalsher, M. J., Chiang, M. C., & *Fleshman, J. J. (August, 2000). Auditory countermeasures to drowsiness in applied settings. *Symposium presentation at the IEA 2000/HFES 2000 Congress, San Diego, CA.*
- *Kalsher, M. J., Gallo, J. B., Williams, K. J., & Wogalter, M. S. (August, 2000). High levels of behavioral compliance in a realistic product assembly task. *Symposium presentation at the IEA 2000/HFES 2000 Congress, San Diego, CA.*
- Kalsher, M. J., & *Traver, H. A. (June, 2000). Assessing immediate and long-term benefits of interactive studio physics. *Poster session presented at NECC 2000: Connecting the Crosswords, Atlanta, GA.*

Workshops

Kalsher, M. J. (June 2008). Human Factors Design and Safety. Invited workshop presented at the 2008 National Meeting and Training Seminar of the Joseph A. Holmes Safety Association, Six Flags Great Escape Lodge, Queensbury, NY.

Kalsher, M. J. (May 2008). Building Safety into Design. Invited workshop presented at the Big Sky Chapter, American Society of Safety Engineers' Intermountain Northwest Safety Conference, West Yellowstone, MT.

Kalsher, M. J. (January 2008). Building Safety into Design. Invited workshop presented at the American Society of Safety Engineers' Seminar-Fest 2008, Las Vegas, NV.

Kalsher, M. J. (June, 2007). Building Safety into Design. Invited workshop presented at the American Society of Safety Engineers' Seminar-Fest 2007, Orlando, FL.

Kalsher, M. J. (January, 2007). Building Safety into Design. Invited workshop presented at the American Society of Safety Engineers' Seminar-Fest 2007, Las Vegas, NV.

Kalsher, M. J. (January, 2007). Positive Psychology and Safety. Keynote address presented at the American Society of Safety Engineers' Seminar-Fest 2007, Las Vegas, NV.

Kalsher, M. J. (November, 2006). Building Safety into Design. Invited lecture presented at the Solutions to Safety Through Technology Conference sponsored by the American Society of Safety Engineers, Scottsdale, Arizona.

Kalsher, M.J. (September, 1995). *Team building in organizational settings*. Invited workshop presented to Capital Hill Management Services, Sagamore Hotel, Lake George, New York.

Kalsher, M. J. (April, 1991). *Environmental determinants of college drinking*. Invited workshop presented to the Executive Board of TEAM Michigan, Domino's Farms, Ann Arbor, MI.

Kalsher, M. J. (April, 1991). *Self-monitoring and social skills*. Invited workshop presented to the Rensselaer Alumni Association's Alumni Admissions Committee. Troy, New York.

Geller, E. S., Kalsher, M. J., & Ash, D. (May, 1990). *A behavior analysis approach to occupational safety in the pizza delivery business*. Day-long workshop given to management at Domino's Pizza Distribution, Inc. Ann Arbor, Michigan.

- Kalsher, M. J. (February, 1990). *"TIPS" training in college fraternities: Training for Intervention Procedures by Servers of Alcohol*. Half-day workshop, Delta Phi Fraternity. Rensselaer Polytechnic Institute, Troy, New York.
- Kalsher, M. J. (February, 1990). *"TIPS" training in college fraternities: Training for Intervention Procedures by Servers of Alcohol*. Half-day workshop, Sigma Phi Epsilon Fraternity. Rensselaer Polytechnic Institute, Troy, New York.
- Kalsher, M. J. (February, 1990). *Student Leadership Workshop*. Invited facilitator at Rensselaer's Annual Student Leadership Conference. Rensselaer Polytechnic Institute, Troy, New York.
- Kalsher, M. J. (March, 1990). *"TIPS" training in college settings: Training for Intervention Procedures by Servers of Alcohol*. Half-day workshop, Independent Council. Rensselaer Polytechnic Institute, Troy, New York.
- Kalsher, M. J. (May, 1990). *BAC or Performance: A discussion of issues regarding party-host liability*. Invited campus-wide presentation, Rensselaer's Society of Engineers, Rensselaer Polytechnic Institute, Troy, New York.
- Kalsher, M. J. (June, 1990). *Occupational safety training for field safety engineers in the pizza delivery business*. A one-day training workshop for Domino's Pizza field safety engineers, Ann Arbor, Michigan.
- Kalsher, M. J. (August, 1990). *Management of change workshop for stress management*. One-day workshop for General Electric Aerospace, Adams, Massachusetts.
- Kalsher, M. J. (August, 1990). *Development of a regional driver incentive program for Domino's Pizza deliverers*. Two workshops presented at the Domino's Pizza National R-FAC meeting, Detroit, Michigan.
- Kalsher, M. J. (September, 1990). *Management of change workshop for stress management*. One-day workshop for General Electric Aerospace, Huntsville, Alabama.
- Kalsher, M. J. (November, 1990). *Environmental determinants of college drinking*. Invited workshop, Sigma Phi Epsilon. Rensselaer Polytechnic Institute, Troy, New York.
- Kalsher, M. J. (November, 1990). *Management of change workshop for stress management*. One-day workshop for General Electric Aerospace, Woburn, Massachusetts.
- Baron, R. A., & Kalsher, M. J. (May, 1989). *Management of change workshop: Conflict and stress management*. Two-day workshop for the General Electric RIP Operations and Arrestor Operations, Adams, MA.
- Kalsher, M. J. (August, 1989). *Presentation of the Domino's Pizza Safe Delivery Program*. Invited Address at the Domino's Pizza National R-FAC Meeting, Hyatt-Regency, Detroit, MI.
- Kalsher, M. J. (August, 1989). *Dissemination of the Domino's Pizza Safe Delivery Program*. One-day workshop for Regional Training and Safety Directors. Nashville, TN.
- Kalsher, M. J. (August, 1989). *Dissemination of the Domino's Pizza Safe Delivery Program*. One-day workshop for Regional Training and Safety Directors. Dallas, TX.
- Kalsher, M. J. (August, 1989). *Dissemination of the Domino's Pizza Safe Delivery Program*. One-day workshop for Regional Training and Safety Directors. Denver, CO.

- Kalsher, M. J. (April, 1989). *You can beat depression*. Two-hour workshop for students, Rensselaer Polytechnic Institute, Troy, New York.
- Kalsher, M. J. (April, 1989). *"TIPS" training in college fraternities: Training for Intervention Procedures by Servers of Alcohol*. Half-day workshop given to Rensselaer's Department of Public Safety. Rensselaer Polytechnic Institute, Troy, New York.
- Kalsher, M. J. (April, 1989). *Environmental determinants of party drinking: You can make-a-difference*. Invited campus-wide presentation at Rensselaer's Society for Engineering Chapter House. Rensselaer Polytechnic Institute, Troy, New York.
- Kalsher, M. J. (September, 1989). *Innovative techniques for managing your personal life or: How to manage your stress*. Workshop presented at the Fall 1989 Rensselaer Student leadership Workshop. Rensselaer Polytechnic Institute, Troy, New York.
- Kalsher, M. J. (November, 1989). *Promoting safe party practices in fraternity settings*. Invited campus-wide presentation delivered at Rensselaer's Theta Xi Chapter House. Rensselaer Polytechnic Institute, Troy, New York.
- Kalsher, M. J. (January, 1988). *Data management and analysis procedures for large-scale community safety belt programs*. Invited workshop presentation for the Virginia Department of Motor Vehicles.
- Geller, E. S., & Kalsher, M.J. (1987). Presenter in a series of ten workshops with representatives of 500 Virginia-based corporations. Corporate representatives were provided training to establish successful safety programs at their respective corporate sites.
- Kalsher, M. J. (December, 1987). *Development, implementation, and evaluation of communitywide safety belt programs: An implementation plan for the Commonwealth of Virginia*. Invited workshop presentation for the Virginia Dept. of Motor Vehicles.
- Geller, E. S., Kello, J. E., Lehman, G. R., Kalsher, M. J., & Berry, T. D. (March, 1986). *Power lockout and occupational safety: Guidelines for a comprehensive program*. Two-day workshop for the Motor Vehicle Manufacturers Association, Dearborn, MI.
- Kalsher, M. J., & Geller, E. S. (June, 1986). *Profit in safety belts*. One-day workshop for Domino's Pizza, Incorporated, Ann Arbor, MI.

Department committees

- Director, Graduate Program, Department of Cognitive Science, 2011- present.
- Director, Undergraduate Program in Psychology, Department of Cognitive Science, 2011 – present.
- Member, Cognitive Science and Psychology curriculum committees, 2005-present.
- Member, Faculty Search Committee, 2001-2002.
- Member, Doctoral Program Committee Member, 2001- 2004
- Member, Cognitive Science Department Chair Search Committee, 2000-2002
- Member, Search Committee, Applied Cognitive Science positions, 1997 – 2001
- Director of the M.S. Human Factors and I/O Programs 1997 – 2002.
- Chair, Graduate Admissions Committee (for the department's M.S. program), 1992-1993; 1998-2002
- Member, Search Committee, Human Factors position, 1992
- Member, Search Committee, Industrial/Organizational position, 1992
- Research Participation Committee, Member, 1991 - 1992
- Chair, Search Committee, 1-year visiting Industrial/Organizational position, 1991 - 1992
- Curriculum Development Committee, Member, 1990

Departmental coordinator, Cooperative Education Program 1990 - 1992
Member, Graduate (M.S.) Admissions Committee, 1989-2002
Member, Search Committee, Human Factors position, 1988

School/institute committees

H&SS Faculty Council Chair, 2006-2007.
H&SS Ombudsman and member of H&SS Curriculum Committee, 2005-2006.
Member, Assistant Provost for Entrepreneurship Search Committee, Lally School of Management and Technology, 2002
Member, Director of the Severino Center Search Committee, Lally School of Management and Technology, 2002
Member, Vice President of Student Life Search Committee, 2000-2001
Member, H&SS Performance Plan Review Committee, 2000-2001
Chair, Rensselaer Institutional Review Board, 1998 – present
Member of the H&SS Distributive Learning Committee, 1998
Member of the H&SS Curriculum Committee, 1997 – 1998
Member, Dean Search Committee, School of Humanities and Social Sciences, 1995-96
Member, Institutional Review Board, 1994 – 1998
Rensselaer Compensation Committee, 1994-1997
H&SS Environment and Energy Strategic Initiative Committee, 1992
Member of the Paul Beer Trust Mini-grant Review Committee, 1992
Rensselaer Alumni Association Alumni Admissions Committee, 1991-1995
30th Anniversary Year Committee, 1991
Member Faculty Intervention Program, 1990-1996
University J-Board selection Committee, 1990
Faculty Advisor for Sigma Phi Epsilon Fraternity, 1989 -1995
Rensselaer Alcohol Policy and Review Board, 1989-1992
Alcohol and Health Awareness Week Committee, 1989 -1990
Rensselaer Leadership Advisory Committee, 1989 -1990
Faculty Advisor for Psi Upsilon Fraternity, 1989 -1995
Student Human Resource Management Society Advisor, 1988 -89

Membership in Professional Societies

American Psychological Society, Charter Member
American Psychological Association, Member since 1995
Association for Applied Behavior Analysis, Member 1981 - 1986
Eastern Psychological Association, Member 1989 - 1998
Human Factors and Ergonomics Society, Member since 1991
Healthcare Technical Group
Safety Technical Group
Forensics Professional Technical Group
